- Summary: An application which allows the user to write and save notes.
  - Role: Sole Creator
- Tools: Express.js, JavaScript, Node.js, HTML5, CSS

## Experience

**On Track Music Instruction**                                          **2012-2022**

**Senior Instructor**

Was the top instructor at one of the most successful private instruction guitar schools in Utah.

Accomplishments:

- Instructed all age students from children up to 60 years +.
- Had over a decade of experience while working with *hundreds* of students.
- Had leadership roles which included co-running and speaking at events in which *thousands* of people were in attendance.
- #1 employee and teacher for many years, was entrusted with the top-level and most difficult students to teach in the entire program.

## Education

**Full Stack Web Development Certification** – University of Utah   |   Salt Lake City, UT
